

Solution to Relationships

(Puzzle by Calvin Luo)

Answer: ECHIDNA

Each of the six names given are the names of mythological or legendary characters. Following the flavortext, we consider their spouses.

PYRAMUS – THISBE

GAUTAMA – YASODHARA

EROS – PSYCHE

LEANDER – HERO

EURYDICE – ORPHEUS

BALDR – NANNA

The first letters of the spouses' names spell out TYPHON. Many teams called in this answer, but there is still one more step. Typhon is another mythical character, and his wife is named ECHIDNA, which is the final answer.
